

AWARD-WINNING PRODUCTS

Reward Yourself and Your Customers with Award-Winning Identity Protection Solutions

“Best Overall” Three Times in a Row

Our ongoing commitment to developing and delivering valuable identity protection services has earned us industry recognition as the Best Overall Identity Protection Leader from Javelin Strategy & Research since 2013.

Industry-Leading Products

Our comprehensive approach to secure, monitor and restore customers’ identities drives our continuous improvement efforts, leading to our latest awards as the leader in Prevention, Detection and Resolution.

Award-Winning Content

Education is integral to our services. We deliver clear, timely and empowering communications

through fraud, breach and scam news and education tips via email, social media and web. Recently, we were honored with 10 awards for content excellence across all of our communications channels.

Our strict adherence to ethical practices and complete transparency is fundamental

to our services, emphasizing clear communication with partners and customers and safe handling of data. These practices earned us the Better Business Bureau 2015 Torch Award for Marketplace Excellence.

With an industry-leading identity protection provider like EZShield on your side, going the extra mile to ensure customer trust is easy. **Here's why....**

Solid Foundation

EZShield has a history and reputation you can rely on. We are an industry-recognized leader, protecting consumers and small businesses from identity crimes since 2001.
