

The Difference You've Been Seeking in an Identity Protection Provider

It All Starts with You — As it Has from the Beginning

Putting partners first is the crux of our 17-year success as an identity protection leader. We develop relationships based on understanding a partner's distinct needs.

Are your goals to:

Increase your revenue opportunities?

Enhance your product/service offerings?

Boost satisfaction of existing members?

Attract and acquire new members?

Choosing an identity protection service is an important decision. Fortunately, we help make it easy on you with our unique go-to-market approach that centers around your needs. This partner-only method ensures an incomparable level of dedication.

READY to reap the benefits of our award-winning identity protection?

Step 1: Tell Us your Goals

We design identity protection to your specifications.

This is your identity protection service, so don't hold anything back. We want to know your challenges, concerns and aspirations. Your goals are our goals, and your success is our greatest focus.

Once we understand your goals, it's time to...

A Partner's Perspective

"Identity theft is a major concern for many of our members, especially with large scale credit card breaches and prolific Internet use. Having EZShield as a trusted partner, providing identity restoration for GPOFCU's members, is extremely valuable. And members have access to competitively priced credit monitoring and identity theft protection, as well as information and alerts. We are appreciative of EZShield's willingness to participate in our credit union events, and their commitment to our valuable partnership"
