

# WORLD-CLASS IDENTITY THEFT PROTECTION

COST-EFFECTIVE, SCALABLE AND CUSTOMIZED DATA BREACH SOLUTIONS

Nothing can shake your business like a data breach. Your customers, your employees, even your reputation are at risk. Data breaches and security incidents continue to hit every industry, reminding us how vulnerable we all are, while also making us feel helpless. However, if the worst should happen, EZShield + IdentityForce have your back and we're here to provide 100% peace of mind to help you protect what matters most.

## You Need RapidResponse<sup>SM</sup>

A data breach doesn't have to be catastrophic. RapidResponse by EZShield + IdentityForce delivers a cost-effective, scalable, and customized data breach solution that can be implemented within days, or even hours in the event of a breach. We also provide tiered and multi-year pricing.

With RapidResponse, we'll help you navigate the quickest path to recovery by providing:

- A team who will respond to your requirements quickly, collaborating with you to develop a custom response plan that will help remove the stress and emotional toll of the security incident
- A partner who is trusted and recognized as best-in-class with a team of experts who have experience with breaches of all sizes, giving you the counsel needed to take the right actions
- Tailored breach solutions to fit your business needs at competitive prices so you can feel confident in your selection
- Formal notifications to those impacted, removing the burden from your team and providing victims the support they need
- Detailed enrollment and identity theft victim reports to keep you continuously updated

### 60+ YEARS OF EXPERIENCE

As your trusted partner, we have a combined 60+years of experience managing high-risk security incidents to work for you, responding quickly and efficiently, whether your breach has affected 2 people, or 2 million. We immediately help you avoid distractions to your business, minimize legal fees and regulatory fines, and protect your reputation.

### TRUSTED BY U.S. GOVERNMENT

The most trusted names in government rely on us. We've done business with the FBI, U.S. Department of Homeland Security, and FAA, to name a few. We offer experience, speed, and 24/7 support, which can be the difference between a brief disruption and a disaster. We are the safe and smart solution.

### FAST AND CONFIDENTIAL

We understand the importance of a rapid and effective response after an incident occurs. RapidResponse delivers low cost, scalable, and customized solutions to businesses, government agencies, and organizations affected by a data breach. Mitigate your organization's risk, limit liability, and avoid a public relations nightmare with RapidResponse.

## ABOUT EZSHIELD

EZShield helps enterprises of all sizes and trusted partners protect what matters most — through secure, digital identity protection and resolution services that enhance customer relationships, while adding value to existing products. As a trailblazer in **Mobile Threat Defense**, EZShield is the only pure-play identity theft protection company to pair its product and services with mobile cybersecurity through its Mobile Defense Suite. The company is consistently recognized by Javelin as a **leader in Identity Protection**. In August 2018, EZShield **acquired** IdentityForce. ## ABOUT IDENTITYFORCE

In **August 2018**, IdentityForce was acquired by EZShield, a portfolio company of The Wicks Group ("Wicks") and the leader in digital identity protection and resolution. For 40+ years, IdentityForce, Inc. has provided best-in-class, highly scalable, award-winning identity theft, privacy and credit protection solutions to consumers, businesses, and government agencies. With IdentityForce, members benefit from the most robust and **award-winning** identity protection, going as deep as **Dark Web monitoring** to keep personal information safe. A pioneer of identity protection, IdentityForce's innovation and customer-centric approach has made the company a trusted partner for both organizations and individuals. IdentityForce also provides custom-tailored programs to organizations enabling them to build closer relationships and additional revenue streams. In 2015, the U.S. government awarded IdentityForce elite Tier One status as an approved provider of identity protection services for data breaches affecting over 21.5 million people.
